

## 2010 Benefit Tournament

Airway Meadows Golf Course held its 7<sup>th</sup> Annual Benefit Tournament on Saturday, August 21<sup>st</sup>. 148 players came out to play in the 4-player scramble tournament. This year's event was to benefit Matt Carruthers and held in the memory of his uncles Dan Killian & Mike Nolan. Matthew is a 27 year old cancer survivor. After going through a whirlwind of tests he was diagnosed with an aggressive form of Cancer. The best course of action was chemotherapy and after six weeks of intensive treatment he is now cancer free. This ordeal has left Matt deep in debt. His insurance is an 80/20 policy which means he is responsible for 20% of all his medical expenses up to a certain "out of pocket maximum" which is extremely large. While the stress of having his disease are gone, he now deals with the stress of paying for all the bills that have accumulated. We were able to raise a lot of money for Matt and would like to thank everyone involved for making the day a success.
