

## TAVERN MENU

Open Daily 11:30am – 9:30pm  
2011

*Carved out of the family farm and adjoining woodlands, Airway Meadows G.C. was born in 1997 as the brain child of James (Jayme) Heber. Grand Opening of all 18 holes with Clubhouse Tavern was July 4<sup>th</sup>, 1999. The golf course is nestled on 177 acres surrounding the original farmstead and family owned airport "Heber Airpark". The Hebers are the third generation of their family to live on Brownville Road, the fourth being their grown children who have chosen to stay near home. Their son Jacob is the Grounds Superintendent. Black Angus cows are still raised by them and are some times seen from the golf course. Small aircraft in the area make for an entertaining yet peaceful round of golf. You may even see skydivers. We hope you will find your meal and service as satisfying as your round of golf and that you will choose to return time and time again. If there is anything you wish to see on our menu in the future please let your server know, we aim to please you.*

*Thank you for joining us in our Clubhouse Tavern
