

## **2013 Benefit Tournament**

Airway Meadows Golf Course held its 10<sup>th</sup> Annual Benefit Tournament on Saturday, August 17<sup>th</sup>. 110 players came out to play in the 4-player scramble tournament. This year's event was to benefit Colin Flanders. Colin was diagnosed with Mediastinal Large B-cell Lymphoma, a very aggressive form of the cancer in May of this year. He has a large tumor on his left lung and around his pulmonary artery. He is undergoing a new treatment protocol at Albany Med that has proven to be very successful. Colin with his single mom have very large co-pays at the hospital for the treatments and the bills are being paid but their money only stretches so far. Through the generosity of all the participants we were able to raise over \$10,000.
