

AIRWAY MEADOWS GOLF CLUB

Women's Evening Golf League

To Women Golfers:

March 12, 2019

It's that time of year to start thinking about the golf season and how you are going to play more, get more exercise and have more fun. A weekly 9 hole golf league is the answer! You're invited to return for another year or please join us for the first time. We play golf with a group of women who range in ability from pretty new golfer, to experienced lower handicappers. (One does need to have taken a golf lesson or two and hit balls at the driving range before you start). We have a casual league here at Airway Meadows and its fun! The women are encouraging and play ready golf. You can play in any foursome you wish. Many of us change who we play with each week. In early season I will be on the tee to help group foursomes and set the pace for the 9 hole round. After that we are on our own.

Please complete Registration form below and return to address on bottom of form. You may fill in and e-mail back. This gives you all the facts. If you are a returning League Member and all your contact information is the same please just send me a REPLY E-MAIL with ALL SAME and that you're joining us again this year.

Basically, it is our intention to run an informal league to have some fun, learn a little from each other and just enjoy the game of golf. We provide an opportunity for women of all abilities to play golf on a weekly basis in a casual supportive environment. Our goal is to have 40 women so we can earn extra credits from the golf course for use at our End of Season Golf Tournament. 2018 we had 23 members. The group is fun and non-judgmental of each other. All you need to do is play ready golf. This means be ready to take your next shot when the person ahead of you takes her's.

If you wish to register you should complete the last page and e-mail it back or send it through the Post Office. You may telephone me at (518)793-8983 (winter) Pro Shop (518)792-4144 or e-mail me with any questions. The women range in age from 30 to 75. Most communication is done through e-mail through out the season. My e-mail address: golfing@airwaymeadowsgolf.com.

Lets put winter behind us and start planning some fun for the golf season. Won't you join us!
JOAN HEBER, Organizer/Steering Committee Representative.
