

## **Results Of 2007 Benefit Tournament**

Airway Meadows Golf Course held its 4<sup>th</sup> Annual Benefit Tournament on Saturday, August 18<sup>th</sup>. 74 players came out to play in the 4-player scramble tournament. This year's event was to benefit the family of Christopher Reed who last winter was diagnosed with stage four high-risk neuroblastoma. He passed away on August 8<sup>th</sup> from an infection after successfully battling the cancer. We raised \$6261 for the family through the golfers who participated, the selling of hole sponsor signs, a 50/50 raffle and a live auction. We would especially like to thank some of the winning teams who donated their prizes back so they could be included in the auction. Below are the top finishers in the event.
